Supply Chain Excellence

AT A GLANCE

The 30-second case for a conversation

TOP STRENGTHS

- Executive Facilitation
- Enterprise AI Strategy
- ERP-Led Transformation
- Oracle Fusion & SAP
- Program Recovery / IV&V
- Vendor Selection & BAFO

PROVEN OUTCOMES

5 Fusion go-lives, 5 yrs	>97% Budget accuracy (EVM)	2 Production AI agents
~22% Vendor cost reduction	11 Legacy systems retired	100+ Consultants led

WHAT DRIVES ME

Technology earns its seat when it changes the number on the board's page. I take on the hard, multi-vendor, high-stakes programs others stall on, bring AI in where it removes real cost and risk, and stay accountable through go-live and benefits realization.
